### PUBLIC NOTICE OF PROPOSED CDBG DISASTER RECOVERY MITIGATION INFRASTRUCTURE PROJECTS FOR THE TOWN OF WAUSAU

The Town of Wausau anticipates applying for Round Three of the Rebuild Florida General Infrastructure Program (GIP) funding provided by the U.S. Department of Housing and Urban Development (HUD) to support long-term mitigation efforts by assisting the State of Florida and its local governments in minimizing or eliminating the risks and reducing losses from future disasters. This program is being administered by the Florida Department of Economic Opportunity (DEO) thru the Community Development Block Grant – Mitigation (CDBG-MIT) Program. A total of six hundred eighty million four hundred eleven thousand dollars (\$680,411,000.00) in funding has been allocated by the Florida Department of Economic Opportunity (DEO) for the Rebuild Florida General Infrastructure Program. The funding will be allocated through three separate funding cycles which will be held over a three-year period with the third funding cycle, to have applications due in to DEO on or before June 10, 2022. The amount of funding available in the third GIP application cycle is forty-two million two hundred twenty-three thousand, four hundred forty dollars (\$42,223,440.00). The minimum allowable grant request is five hundred thousand dollars (\$500,000.00). Eligible types of projects are those that demonstrate increased community resiliency. Examples of some of the types of projects encouraged by DEO are as follows:

- Restoration of critical infrastructure (such as water and sewer facilities, streets, removal of debris, drainage, bridges, etc.)
- Re-nourishment of protective coastal dune systems and state beaches
- Building or fortifying buildings that are essential to the health, safety and welfare of a community (this can include shelters, police stations, fire stations, parks and recreational centers, community and senior centers, hospitals, clinics, schools and educational facilities and other public properties)
- Rehabilitation or construction of stormwater management systems
- Improvements to drainage facilities
- Reconstruction of lift stations and sewage treatment plants
- Road repair and improvement and bridge strengthening
- Upgrading of communications, energy, transportation and health and medical resources and systems
- Development of mitigation standards, regulations, policies and programs • Dam safety programs, seawalls and levee systems;
- Acquisition of flood prone and environmentally-sensitive lands;
- Retrofitting/hardening/elevating structures and critical facilities
- Relocation of structures, infrastructure and facilities out of vulnerable areas;
- Permanent relocation of residential housing and businesses located in high-risk areas through voluntary buyback programs and rebuilding in low-risk areas
- Public awareness/education campaigns
- Improvement of warning and evacuation systems

The Town of Wausau anticipates submitting one application for a total of **one million forty-four thousand, nine hundred twenty-eight dollars (\$1,044,928.00)** in funding through Round Three of the CDBG-GIP General Infrastructure Program.

Activities that are typically eligible for funding under the Community Development Block Grant (CDBG) Program as well as specific additional activities as outlined in the State of Florida CDBG-MIT Action Plan for the program are eligible projects if no other funding is available to meet the need. Applications are due in DEO no later than 5:00 PM ET on June 10, 2022.

The Town of Wausau anticipates submitting one (1) application for funding. The project synopsis and budget for the application being submitted is as follows:

**Street Flood and Drainage and Paving Restoration Mitigation:** The proposed project will address improvement of drainage infrastructure on three streets experiencing flooding during hurricanes and heavy rain events. The proposed work includes the installation of drainage culverts, headwalls and appurtenances, as well as paving of the unpaved streets and repaving of the portions of the streets that have deteriorated and are contributing to the flooding problems. The Town of Wausau anticipates submitting an application for the following improvements:
