TOWN OF WAUSAU NOW HIRING

Full-Time Public Works Maintenance & Water Utility Worker

The **Town of Wausau** is accepting applications for a dependable and motivated individual to join our Public Works Department.

Full-Time | Up to 40 Hours Per Week

Starting Pay: \$16.00 per hour

This is a hands-on position involving both **general Town maintenance and public water system duties**. Responsibilities may include reading water meters, locating and repairing water leaks, water service turn-ons and shut-offs, water line and meter repairs, assisting with new water taps, valve and hydrant maintenance, water system flushing, and maintaining utility records.

Additional duties include mowing and grounds maintenance, upkeep of Town buildings and property, road and right-of-way maintenance, light construction and repairs, storm cleanup, equipment operation, and assisting with Town and community events.

Applicants should be dependable, able to work independently and as part of a team, and comfortable performing physically demanding outdoor work in a variety of weather conditions. A valid driver's license is required. Experience in **water utilities, plumbing, construction, public works, maintenance, landscaping, or equipment operation** is preferred but not required. Training may be provided for the right candidate.

This position may require occasional after-hours, weekend, or holiday call-backs for water system or other Town emergencies.

HOW TO APPLY

Interested applicants may:

Apply in person by bringing a resume or filling out an application at the **Wausau Town Hall** or

Apply online through Indeed.

Candidates will be subject to applicable background screening, and drug screening.
